

Product Name :
Counting Circle Wood app.20 Pieces

Product Code :
NLAB-SCHOOLABS25011

Description :

Counting Circle Wood app.20 Pieces

Technical Specification :

A puzzle, size 25 cm in diameter, made of wood (furnished timber), composed of app.10 colored (red, green, blue, yellow, orange, black, violet, white, purple, indigo). Each piece should be unique in shape and design.

The puzzle is comprised of two circles, divided into segments and contains a counting element (numbers 1-10 on the inner circle, and dots 1-10, bumps 1-10 or images 1-10 on the outer circle).

The inner circle is composed of coloured segments (colours are gradational) with printed numbers # the numbers should be in sequence when the puzzle is put together. The outer circle is composed of segments of a uniform colour, with either holes, dots or images printed on the segment to correspond to the number on the corresponding inner segment.

The inner circle fits into the outer circle when the puzzle is complete.

The material and finish of the segments should be smooth and non-toxic.

The design, manufacture and composition of the puzzle to be suitable for the safe and continued use of children aged 4-6 years.
