

Product Name :
Advanced Educational Biological Microscope

Product Code :
NLAB-EDUSCHOOLEQ173065

Description :

Advanced Educational Biological Microscope

Technical Specification :

Education Microscopes are manufactured using best quality achromatic objectives, high point eyepieces and with coaxial focusing. The optical system is antifungal treated. Microscope field is illuminated with halogen lamp or optionally can be upgraded to LED (with battery backup).

Viewing Head: Monocular, Binocular & Trinocular Head

Nosepiece: Quadruple/Quintuple with multiple ball-bearing, rubber/metal grip & click stop

Body: Rugged, single die cast, ergonomic design, touch point treated

Illumination: Halogen or LED with Battery backup, illumination mirror

Optical system: Achromatic optical system, colour corrected, anti-fungal, anti-bacterial coated (multi-layered hard coated)

Mechanical Stage: Right/left hand control, hard coated surface, double layer, single/double slide holder, low position coaxial movement

Condenser: Abbe with iris diaphragm & filter slot brightfield, darkfield, phase.

Focusing: Coaxial (low position), both side, coarse & fine with tension control & upper limit stopper

Eyepiece: Extra wide field with diopter adjustment

Objectives: DIN Semi Plan/plan finite/infinite achromatic
