

Product Name : Binocular and Trinocular Head	Product Code : NLAB-EDUSCHOOLEQ1730158
--	--

Description :

Binocular and Trinocular Head

Technical Specification :

Fully coated optical system provides sharp and clear images with extremely good flatness and contrast.

With their large zoom range and long-working distance, these are ideal for high-magnification, high-resolution observation in biological research, precision-oriented semi-conductor and other industries 45 inclined, 360 rotatable binocular head or trinocular head.

The images are brighter and more distinct even as the periphery of the field of view.
