

Product Name :
Bio diesel Production Pilot Plant

Product Code :
NLAB-ENGINEERINGLB36033

Description :

Bio diesel Production Pilot Plant

Technical Specification :

Tank for reagent and catalyst with a stirrer.

2x restoring tanks.

Multifunction reactor vessel with 18 litres capacity complete with motorized stirrer and condenser

An electrical heating system with thermostat

An electrical control panel in the main cabinet.

Power Supply:-

230 V ac 50 Hz single-phase -1500 VA

We are well-known manufacturers, OEM suppliers of Bio diesel Production Pilot Plant for Chemical Engineering Lab Equipments. Contact us for high quality Bio diesel Production Pilot Plant for Chemical Engineering Lab Equipments for schools lab, college lab, universities, research labs, various teaching and workshop training laboratories and industries in India.
