

Product Name :
Biology Lab Biochemistry Molecular Model Set

Product Code :
NLAB-EDUSCHOOLEQ27013

Description :

Biology Lab Biochemistry Molecular Model Set

Technical Specification :

Color-coded to national standards for ease of identification.

Includes durable plastic atom parts and links for assembling models.

The molecular model set with 72 atoms provides students in grades 7-12 a hands-on activity to visually demonstrate concepts of biochemistry and biochemical structures.

Includes a plastic box for ease of storage.

Atom parts range from 17mm to 23mm in diameter.
