

Product Name :
Biology Lab Histology Vein Prepared Slide

Product Code :
NLAB-EDUSCHOOLEQ14013

Description :

Biology Lab Histology Vein Prepared Slide

Technical Specification :

The vessels of the macrocirculation supply and drain a network of fine vessels interposed between them, the capillaries.

The macrocirculation comprises all vessels, both arteries and veins, that would be visible to the eye.

This network is also called the capillary bed.

Water and other components of the blood plasma which exude from the blood vessels form the interstitial fluid, which is returned to the circulation by the lymph vascular system.
