

Product Name :
Biology Lab Introduction to Microbiology Kit

Product Code :
NLAB-EDUSCHOOLEQ26003

Description :

Biology Lab Introduction to Microbiology Kit

Technical Specification :

This kit is designed to give an introduction to Microbiology studies.

The kit allows for 10 groups of students working individually or in groups.

A workbook is included.

Activities included are: Study of fungi, effects of temperature, Making plate cultures, Pasteurisation, Antibiotics and their effects on cultures, Staining, Making broth cultures, Living bacteria study, the Life cycle of Mucor and many other activities and applications.

The kit has been developed to give a thorough understanding of all the practical activities that would be conducted in a 'real life' microbiology laboratory thus introducing students to the importance of this critical field of study.

Address: 6148/6, Guru Nanak Marg, Ambala Cantt, Haryana, India. **Phone:** +91-9896600003
