

Product Name :
Cesarean Section Set

Product Code :
NLABMEDICAL-M3130001

Description :

Cesarean Section Set

Technical Specification :

Cesarean Section Set consists of instruments made of High Grade Stainless Steel.

Caesarean section is also known as C-section, is the use of surgery to deliver one or more babies.

A Caesarean section is often performed when a vaginal delivery would put the baby or mother at risk. This may include obstructed labour, twin pregnancy, high blood pressure in the mother, breech birth, problems with the placenta, umbilical cord or shape of the pelvis, and previous C-section.

We are Manufacturer, Exporters and Suppliers of Cesarean Section Set Made of High Grade Stainless Steel at tender and export competitive prices from India.
