

Product Name :
Cordless Compound Monocular Microscope

Product Code :
NLAB-EDUSCHOOLEQ1730115

Description :

Cordless Compound Monocular Microscope

Technical Specification :

Plain stage with stage clips to secure slide and a stage stop to prevent damage to slides or objectives.

Cordless compound microscope provides high magnification for biological use and educational applications. Forward-facing nosepiece with 4x, 10x, and 40x DIN achromatic full-glass objectives that provide high-resolution color-corrected images.

Brightfield, upper and lower LED illumination with rheostat, a 0.65 NA single-lens condenser with disc diaphragm, and coaxial coarse and fine focus for sharp images.

Monocular viewing head with interchangeable 10x widefield and 25x widefield eyepieces, fixed 45-degree vertical inclination to reduce eye and neck strain, and 360-degree rotation capability to provide a more comprehensive view and enable sharing.
