

Product Name :
Diabetic Foot Model

Product Code :
NLAB-EDUSCHOOLEQ79002

Description :

Diabetic Foot Model

Technical Specification :

Diabetic neuropathy quietly robs people of feeling in their extremities.

These two versions of the Diabetic Foot Model cast in durable BIOLIKE 2™ answer the need for realistic models that can be used for student education and patient training.

The original model has three ulcers in various stages, as well as a crack under the fold of the toe, which is commonly seen with diabetes.

The Severe Diabetic Foot Model depicts an amputated toe, Charcot foot deformity, severe swelling and redness, and gangrene.

Each model comes with a carrying case and measures approx. 3½" x 9½" x 4"
