

Product Name :
Digital Wide Field Stereo Zoom Trinocular Microscope

Product Code :
NLAB-EDUSCHOOLEQ1730106

Description :

Digital Wide Field Stereo Zoom Trinocular Microscope

Technical Specification :

The trinocular model with the digital camera is excellent for photo microscopy or use with an LCD screen. They offer Plug-and-Play compatibility and come with user-friendly, efficient imaging software.

A fully coated optical system which provides sharp and clear imaging with extreme flatness and contrast. With a large zoom range and long-working distance. Designed to be outfitted with a variety of lens accessories to increase or reduce magnification.

It provides the best reproduction and true color imaging.

DN cameras are a new generation of routine cameras with high resolutions.

Plug-and-Play compatibility allows you to connect more than one camera to a PC at the same time, all you need to do is to plug it into your computer.

Ideal for high-magnification, high-resolution observation in biological research, semi-conductor and other precision-oriented industries.

The stereo microscope offers ergonomic features such as synchronized bi-lateral inter-pupillary distance adjustments.
