### **Product Name:**

**Electrical Incinerator** 

#### **Product Code:**

NLAB-ENGINEERINGLB94001

## **Description:**

**Electrical Incinerator** 

## **Technical Specification:**

We manufacture and supply Electrical Incinerator that effectively treat office and other waste.

These comprise of two chambers, electrical heater and a blower.

It is highly power efficient with less operating time.

It has a very robust design and has a high temperature refractory lining so as to protect its surface from the effect of high temperatures.

They heat up quickly and produce minimal smoke and smell.

Features:-

Robust construction

Virtually smoke and smell free with secondary burners.

High temperature refractory lining.

Quick heat up time and lesser operational time
