

Product Name :
Jointer Planer

Product Code :
NLAB-MACHINELABWK33004

Description :

Jointer Planer

Technical Specification :

A built-in dust chute capable of handling both planing and jointing operations.

A powerful 3 HP induction motor that can handle the toughest lumber.

This versatile machine features quick changeover between jointing and planing functions.

An extra-large aluminum extruded fence with centered controls for quick adjustments.

Best of all, the fence can stay put when changing over functions.
