

Product Name : Laboratory Flumes and Channels	Product Code : NLAB-TECHNICALAB26006
Description : Laboratory Flumes and Channels	
Technical Specification : Because of the physical size and the general heavy nature of the construction, it is easy to forget that a flume is an instrument and in many instances required to have a high level of integrity regarding both its working dimensions and ability to achieve repeatable results. Acknowledge the necessity for accuracy, precision and repeatability. These are cornerstones of the design, manufacture and final installation.
