SG522

Description :

MATLAB 2021 Campus Wide License

Technical Specification :

A Campus Wide License provides unlimited use of MATLAB and Simulink products to all faculty, staff and researchers, on and off campus, on any device, full license (five years).

Campus-Wide License Features

- Coverage for all faculty, staff, students, and researchers, on both university and personally owned devices.
- Access on campus, in the lab and field, and at home, including off network
- Widest and most up-to-date array of products, supporting everything from introductory-level courses to advanced academic research
- Annual license that provides a more predictable cost model for budget planning.
- One license, which eases license management and ensures software license compliance through central administration; it also integrates easily into bring-your-own-device (BYOD) programs
- Pricing proportional to the size of the student body, providing cost efficiencies per user
