

Product Name :
Naugra Auto Collimator

Product Code :
NLAB-ENGINEERINGLB30005

Description :

Naugra Auto Collimator

Technical Specification :

Material Stainless Steel

Maximum Degree field of view

Minimum working Distance

Maximum Resolution

Power Hole image diameter subtend

Power supply

Our technical expertise facilitate us to manufacture, export and supply high quality **Auto Collimator**. The offered auto collimator is manufactured using the best quality raw materials keeping in mind the international standards. Offered range is well-known in the market due to its features like effectual functioning, robust construction, high performance, simple installation and longer service life. Also, this range is stringently tested on various parameters under the supervision of our quality controllers.

Features:

- Longer service life
- Optimum quality
- Fine finish
