

Product Name :
Naugra Lab Fume Scrubber

Product Code :
NLAB-LABORATORYEM68001

Description :

Naugra Lab Fume Scrubber

Technical Specification :

Fume Scrubber

Specification:-

Exellent removal efficiencies:-

Efficient counter-current gas/liquid contact results in 95-98% for most water-soluble acid and base laden airstreams.

Durable: Entire body of scrubber system made of chemical and corrosion resistant polypropylene.

Compact: The packing, spray manifold and mist eliminator counted on top of fume hood, pump and reservoir in

the base cabinet.

This arrangement ensures that minimal extra space is required for the scrubber system.
