

**Product Name :**  
Nauga Lab Rect. Horizontal Autoclave

**Product Code :**  
NLAB-LABORATORYEM47006

**Description :**

Nauga Lab Rect. Horizontal Autoclave

**Technical Specification :**

Rect. Horizontal Autoclave

Rect. Horizontal Autoclave Our horizontal autoclaves rectangle are widely used for day to day mass scale sterilization procedures and in various bulk laboratory applications, where dryness of the sterilized medium is of paramount importance, given the fact that semi dry sterilized media is prone to various micro-bacterial and viral infections.

We specialize in both standard and customized models, specifically designed to meet the challenging demands of various scientists for individual and specialized research applications.

Over a short period of time Weiber brand have been established as reliable exporters of horizontal autoclave in India, catering to the vast markets in South East Asia, Middle East, Africa and Europe.
