

Product Name :
Non Magnetic Fraction Disk

Product Code :
NLAB-EDUSCHOOLEQ60002

Description :

Non Magnetic Fraction Disk

Technical Specification :

Children have fun learning fractions with these hands-on math manipulative perfect for games and activities.

These colorful, soft foam NON-magnetic fraction circles make it simple and fun to teach students about fractions and their relationships.

The easy-to-grip color-coded pieces let children see, feel, and compare equivalent fractions.

Set includes 55 proportional foam magnetic pieces showing fractions in a whole, halves, thirds, fourths, fifths, sixths, Seven, eighths, Ninth and tenths.

Excellent for small and large group instruction.

Can be used on table top in group.
