

Product Name :
Physics Lab Top Loading Balance

Product Code :
NLAB-EDUSCHOOLEQ158001

Description :

Physics Lab Top Loading Balance

Technical Specification :

The balances designed with the user simplicity in the mind features high contrast large LCD display for easy viewing, auto zero tracking, auto power saving, automatic external calibration, tare adjustment, highly accurate load cells, overload protection and weather proof design.

These features combine to provide a reliable, efficient high quality balance of outstanding value.

Capacity: 1000 gm (Min)

Sensitivity / Accuracy: 0.5 gm (Min)

Display Modes: g & oz

Key function: ON/TARE, MODE, OFF, LCD display , Auto / Manual Shut Off, Standard accessories with operation manual
