

**Product Name :**  
Surface Gauge

**Product Code :**  
TN515

**Description :**

Surface Gauge

**Technical Specification :**

Surface Gauge

Design incorporates a fully hardened ground base which serves as an accurate reference surface

Machined vee groove in the base allows the gauge to be used conveniently on curved surfaces

Vee groove in front end allows spindle to adjust to any angle

grooves on side of base allow for comfortable grip

Used in non-precision measurements

Used with surface plate for layout work and inspection

Perfect finish

Easy to fit

Length 175\*200mm
