

Product Name :
Test Tube With Screw Cap

Product Code :
NLAB-EDUSCHOOLEQ46015

Description :

Test Tube With Screw Cap

Technical Specification :

We also have test tubes with screw cap to avoid spillage while storing the chemicals for experiments.

Quality glass is used in the manufacturing test tubes and are chemical resistant and not react with chemicals while performing chemicals.

The screw cap is inserted with precision as they remain tight when closed and open easily when needed.
