**Description :**

Triple Beam Balance With Vernier

**Technical Specification :**

This Balance is a favorite in classrooms and industries worldwide. The balance offers high precision and remarkable value.

The three-point base, special floating bearing principle and beam design eliminates the need for level adjustment. Zeroing is quickly achieved by means of a zero adjust knob at the end of the beam. With aluminum pressure castings for the base and beam

assembly, agate bearings, steel knife-edges, and stainless steel pan, everything about the balance ensures a high standard of quality.
