

Product Name :
TVET CNC Band Saw

Product Code :
NLAB-EDUCATIONTVET20008

Description :

TVET CNC Band Saw

Technical Specification :

Automatic processing operation and stable quality, improve efficiency exponentially and lay ground work for lather processing operation which will smooth and speed processing line.

This machine is installed a numerical control system and it's easy to learn. Discharging task don't need other applications.

The machine is equipped with components with high performance and high quality.

Saw wheel Dia&Width

Min. Turning radius

Saw width

Saw length

Saw tilting

Saw blade speed

Cutting capacity

Saw blade drive motor

X spindle

Y spindle

Z spindle

control system

Working speed

Return speed
