

Product Name :
TVET Full Program Cutting Machine

Product Code :
NLAB-EDUCATIONTVET36002

Description :

TVET Full Program Cutting Machine

Technical Specification :

Control system is controlled with PLC, with large capacity, secure performance and 300, 000 hours memory.

Display screen is 10.4-inch Korean LG touch screen, which has many languages and USB interfaces.

Rapid knife change device.

Safety system, whose raster is up to CE standard, is higher safety factor.

Major low voltage control part of the complete machine adopts imported electric appliances.

Max. Cutting Width: 115cm

Max. Cutting length: 115cm

Max. Cutting length: 16.5cm

Max. Clamping pressure: 40000N

Cutting speed 45Time/min

Main motor power: 4kw

Air pump motor: 0.75kw

Sending paper motor: 0.55kw

Weight: 3800kg

With standard accessories & instruction manual
