

Product Name :
Welding and Cutting Set

Product Code :
MU184

Description :

Welding and Cutting Set

Technical Specification :

Various kinds using oxygen and gas fuel for portable welding, rivet cutting, soldering, brazing, hard-facing and metal heating process
Single stage regulators with reverse flow check valves, brass torch handle and brass valve body for strength and durability. Precision torch handle with dual check valves, cutting attachment and cutting tip.
A complete set includes a torch handle, oxygen regulator and acetylene regulator.
Victor-style welding kit includes multiple nozzles, hoses and fittings for all purpose welding, soldering, and other applications.
Complete with shank welding attachments, wing-loaded-lever cutting attachment, torch guide and circular cutting device, cutting nozzles and universal key.
In steel sheet box
Welding range 0.5 – 30 mm
Cutting range 3 – 100 mm
Shank diam.: 17 mm
