Product Name :	**Product Code :**
Windows 2003 Server	EC415

Description :

Windows 2003 Server

Technical Specification :

Windows 2003 Server
Get the cloud-ready operating system today to apply another level of security and innovation to the applications and infrastructure, that power your business. Support the workloads you run today, and make it easier to move to the cloud, when youâ€™re ready.

Product Features:
Built-in security â€“ Enhance security and reduce risk with multiple layers of protection, built into the operating system.
Evolve your datacenter â€“ Save money and gain flexibility with software-defined compute storage, and networking technologies, inspired by Microsoft Azure.
Innovate faster â€“ Use improved technologies, such as Windows containers and Nano Server, for another way to deploy and run on-premises and cloud-based apps.
